<p><b>Anti shock shield</b>          Hexagon is the clear and ultra-tough cover equipped with a special inner layer made of high quality thermoplastic elastomers (TPE) to ensure maximum resistance from bumps, falls and scratches. The KIBITON® rubber has an excellent tensile strenght, it absorbs impact and it's weather resistant.          Completely designed by Celly, the inner texture and the double injection moulding are impact-resistant to guarantee the best protection to edges and corners showing off the design of your device. Full access to controls through rubber shaped buttons.</p> <p>[HEXAGON998BK]</p>
