

<b>Webcam 4k usb3</b>	
<b>Codice</b>	CK257664
<b>EAN</b>	4718755087141
<b>Marca</b>	BENQ
<b>Part number</b>	5A.F7S14.003
<b>Storage unit</b>	
<b>Unità di vendita</b>	Cadauno
<b>Confezione</b>	1
<b>Imballaggio</b>	1
<b>Peso (kg)</b>	0.61
<b>Volume (cm<sup>3</sup>)</b>	2622
<p>4K UHD, 120°(D)/108.6°(H)/59.8°(V), 16:9, 8.28MP, 4K@30fps, 5W, 180.1 x 47.4 x 44mm <b>Teach without boundaries</b> Impart quality education from any location with a camera that lets you be seen and heard as clearly as if you were in the same classroom. <b>Take online education to the next level</b> Designed for effective communication, the DVY32 is the best camera for teachers looking to engage their students and deliver dynamic lessons. <b>Discover new ways to teach</b> Using cameras in the classroom can introduce new ways to teach lessons. Connect with classes, schools, and educators outside the classroom to open up more engaging learning environments for your students. <b>Connect with remote educators</b> Invite guest speakers to join your class remotely to provide your students with fun new learning opportunities. Connect the camera to show the whole class and let students interact with the speaker. <b>Connect with remote classrooms</b> Add excitement to the curriculum by holding shared lessons or fun competitions with other classes. By adding a camera, you can invite classes from your school or other districts to join. <b>Give great lessons on any setup</b> Enjoy smooth calls with high-quality video every time using the DVY32, a powerful and flexible camera designed to fit any type of setup in your home or classroom. <b>Compatible with your software</b> The Zoom-certified DVY32 is optimized for remote teaching and video calls. It is compatible with leading conferencing apps so you can teach using your school s designated software. <b>Smooth calls on any network</b> H.265 video encoding requires less bandwidth for</p>	

uninterrupted classes even with suboptimal network conditions. **Privacy cover** Ensure that your privacy is protected when you re not using the camera with a built-in privacy cover. **Ready when you are** Just plug in the camera to start your lessons right away without needing to download any software.
