<p>The G-DRIVE® ev RaW drive is designed to go with you everywhere. Fitting easily into your backpack, briefcase or purse, it s lightweight and when coupled with the bumper, can withstand a 1.5m1 drop. As part of the Evolution Series, it can either be used as a standalone device, inside the ev All Terrain Case2, or with storage solutions such as the G-SPEED Shuttle with ev Series Bay Adapters for ultra-fast transfers and editing. This rugged drive is ideal for anyone requiring on-the-go access to their personal and/ or professional files, photos, videos, music and more</p>
