<p>Arc Touch Bluetooth - 2.4 GHz, 20 m, 2 AAA, 81.9gUltra portable tablet companion We ve made our award-winning design of Arc Touch Mouse even better for those on the go. We ve added Bluetooth 4.0 Low Energy¹. A clutter-free and reliable experience that works from up to 30 feet away. Utilizing the latest in Bluetooth technology, consuming less power. And just like the original, the Arc Touch Bluetooth Mouse curves to turn on and flattens to turn off. Comfortable and portable, shaped to match the natural curve of your hand, it s a perfect fit for your mobile lifestyle. The touch strip responds precisely to the speed of your finger movement, using haptic feedback to scroll vertically. Take advantage of BlueTrack Technology, which combines the power of optical with the precision of laser for remarkable tracking on virtually any surface.² Even use it on a rough wood surface or carpet, with BlueTrack Technology.² ¹ This product only compatible with Windows 8 Bluetooth 4.0 enabled devices. Learn how to check your device to see if it's Bluetooth 4.0 enabled. ² BlueTrack Technology does not work on clear glass or mirrored surfaces.</p>
