Squiddy: could be addictive!

SQUIDDY is the flexible holder that allows you to take photos, selfies and record your videos in every situation. Use it with your smartphone thanks to the adjustable clamp (up to 8 cm), or use it with cameras and action cams thanks to 1/4" thread. Taking pictures with SQUIDDY has never been so easy: the 6 ultra-flexible tentacles and its 23 strong suction cups ensure the best stability for every shot. One accessory for a million uses: use SQUIDDY as a tripod, selfie stick, stand for your devices or as an anti-stress. Bring it with you everywhere thanks to its pocket size!
