

Videoproiettore hd 1080 (1920x1080) 2.600 ansi lumen BENQ LH550 9H.JRV77.13E	
Codice	CK333742
EAN	4718755091179
Marca	BENQ
Part number	9H.JRV77.13E
Storage unit	
Unità di vendita	Cadauno
Confezione	1
Imballaggio	1
Peso (kg)	3.705
Volume (cm ³)	22712.452
BenQ LH550 Proiettore a raggio standard 2600 ANSI lumen DLP 1080p (1920x1080) Compatibilità 3D Bianco Brilliant Colors For Brilliant Ideas With LED technology that provides rich saturated colors and sharp lifelike imagery, The LH550's 95% REC.709 color gamut standard ensures each detail is conveyed with stunning accuracy. Deliver presentations that captivate. Unrivaled Clarity and Enduring Color BenQ's pure glass lenses provide long-lasting image precision, while DLP technology ensures accurate and vibrant colors over time. With calibrated color modes, your visuals will shine, illuminating your ideas with brilliance in every detail. Futureproof Your Workspace LED projection technology futureproofs your workspace sustainability. LH550 not only saves power and maintenance costs, its compact size and instant power no/off ensure an efficient and uninterrupted meeting experience. Maximized Savings, Uncompromised Performance BenQ SmartEco technology adjusts light source power intelligently without sacrificing image quality, saving up to 70% more energy than traditional Eco Mode. Laser technology conserves energy an additional 23% compared to traditional mercury lamps, while the device dims itself to minimum power in just 1.5 seconds. Save Smartly SmartEco Mode dynamically adjusts light source power by intelligently adapting to the content without sacrificing image quality, delivering optimal performance. Save Instantly Press the Eco Blank button to turn off the image for a period of time, reducing light source power consumption by 70%. If no signal	

is detected for 3 minutes, the projector enters this mode automatically. **Save Effortlessly** Auto Power-off powers down the device after 20 minutes of inactivity to save energy and minimize worry about leaving equipment on. **Driver-Free Wireless Projection** Make your BenQ LH500 projector wireless with the optional QCast Mirror WiFi dongle. Share multimedia content, including photos, documents, and full HD videos from mobile devices or laptops without additional driver or software downloads. **Start Presenting in a Snap** Our projector eliminates those long awkward delays that happen when slower projectors power up. Simply turn it on and you're good to go, fast. **Auto Turns On** Automatically turns on the projector once the HDMI input signal is detected. **Auto Vertical Keystone** Project the image from any angle and get the perfect squared image with Auto Vertical Keystone. **Retractable Adjustment Foot** Far superior to projectors with only one adjustment foot, the triple adjustment feet, including a retractable foot, enhance flexibility in a wide variety of meeting rooms. **Hear Clearly** With its built-in 10W speaker, LH550 ensures clear audio for effective communication during meetings. **Your Trustworthy DLP Projector** Choose BenQ with confidence for all your projector/projection needs. As the world's top-selling DLP projector brand for over 10 years, we deliver unparalleled performance, with the quality you deserve. **Flexible Projection Sizes for Any Room** Project images larger than 100 from just 3 m~4 m away (via 1.1X zoom), enabling easy big-screen viewing in rooms of any size. **Reliable Transmission, Versatile Connectivity** The versatile range of connection options, provides seamless and efficient transmission of high definition content between devices and for IT's management.

SPECIFICHE

Risoluzione	hd 1080 (1920x1080)
