Epson EF-22B Proiettore a raggio standard 3LCD 1080p (1920x1080) NeroThe EF-22B comes with a fixed stand and screen size of up to 150 inches Mini smart laser projection TV Even when the projector is placed close to the wall, supersize your favourite films, games and sporting events at home with a screen size of up to 150" Smart home entertainment See 400,000+* movies and TV episodes all in one place. Google TV brings your favourite content from across your apps and subscriptions and organises them just for you Long-lasting solution With this model's long-lasting laser light source, you'll be able to enjoy entertainment for up to 10 years* Superior picture quality Images appear more vivid and bright with Epson's 3LCD technology, up to three times brighter colours than comparable 1-chip DLP projectors* Legal Statement Complies with The UK Product Security and Telecommunications Infrastructure (Product Security) requirements. Epson will provide security updates until 31/07/29 from purchase. Stylish, mini laser projector This compact projector comes in metallic black and with the adjustable built-in stand, images can be projected in any direction - on a wall, ceiling or floor. The simple usability, setup and portability means you can enjoy entertainment on the go. Bigger is better Create the big screen experience wherever you want with an impressive display of up to 150 inches. With Epson's equally high White and Colour Light Output images are clear, sharp and content is brought to life. Smart home entertainment Everything you stream. All on one screen. Access 400,000+* movies and TV	

episodes, all in one place. Google TV brings your favourite content from across your apps and subscriptions and organizes them just for you. Ask Google Assistant to find movies, stream apps, play music and control your projector - all with your voice*. Easily cast movies, shows, photos, and more from your phone or tablet, right to your projector with Google Cast*. The built-in 5W Bluetooth speakers can be used with or without a visual display. **Long-lasting solution** The long-lasting laser light source will provide lower energy consumption, and you'll be able to enjoy home entertainment for up to 10 years*. **High-quality, sharp images** This powerful yet affordable mini laser projector delivers exceptionally bright yet colourful images with clear details. It's 5,000,000:1 contrast ratio also produces clearly defined shadows and deep blacks. Epson's 3LCD technology means it's projectors have up to three times brighter colours than comparable 1-chip DLP projectors*. **Simple set up - plug and play** Included technologies such as automatic focus, keystone correction, obstacle avoidance and screen fit mean you enjoy instant entertainment at home or on the go. Simply power on the projector and let it find the best suitable screen size to fit your surroundings.
