

Eye care 27 fhd ips white	
Codice	CK342846
EAN	4711387629079
Marca	ASUS
Part number	VU279HFI-W
Storage unit	
Unità di vendita	Cadauno
Confezione	1
Imballaggio	1
Peso (kg)	6.291
Volume (cm³)	39696.368
<p>ASUS EyeCare VU279HFI-W Monitor PC 68,6 cm (27") 1920 x 1080 Pixel Full HD LED Bianco Better air, better productivity ASUS VU displays are the perfect choice for anyone who wants a great everyday monitor. They offer all the features and connectivity you need for a variety of tasks, from gaming and entertainment to productivity and creativity. Additionally, VU279HFI-W equipped with Nano-ion generator combine the traditional function of displaying visual content with the added benefit of improving air quality and potentially enhancing user well-being. Display Vibrant Color and Wide Viewing Angles ASUS VU monitors offer more than the standard features and benefits expected from an affordable, everyday monitor. Boasting a 27-inch FHD panel, these monitors are a perfect fit for most desks and can be connected to either a laptop or desktop. Equipped with an IPS panel, VU displays provide clear and colorful images even when viewed from an off angle. Healthcare Clean air, clear mind Thoughtful design elements make ASUS VU monitors a great fit for any PC setup. The stand's long, thin legs hold the displays securely without taking up too much desktop space. VU monitors are practical, but they're also fun. The monitor incorporate a device that emits negative ions into the surrounding air. By reducing the concentration of pollutants and allergens, these monitors can create a healthier indoor environment. Easy to Use Screw-adjustable Height Design and Cable Management Clip Enjoy a comfortable and clutter-free viewing experience. Choose from one of three height</p>	

settings (in increments of 25 mm) for the ideal viewing position **Auto Brightness Adjustment** Automatically adjusts the brightness of the monitor to the ambient lighting in your environment, which reduces eye strain. **Reusable Packaging** Sitting up in a right position decreases pressure on your neck and back. Reuseable laptop stands and phone holders designed to support proper posture and reduce strain. Eye Care Plus Technology **Color Augmentation** Easily distinguish onscreen colors **Rest Reminder** Set pop-up reminders at five-minute intervals, notifying you when it's time to take a break **Blue Light Filter** Adjustable blue-light filter levels to suit your preference or any scenario **Flicker Free** Integrated TÜV Rheinland-certified reduces onscreen flicker to ensure comfortable viewing **DisplayWidget Center** Easily adjust your monitor settings through this intuitive app, without having to touch the physical buttons on the monitor. Gaming **Smooth Scrolling and Better Gaming Experience** ASUS VU monitors offer a 100 Hz refresh rate and Adaptive-Sync technology, which ensure that content scrolls smoothly and seamlessly when browsing websites and playing games boosting the viewing experience for everything you do. I/O Ports **Easy Connectivity** VU monitors are packed with ports for easy connectivity to a wide range of devices. Two HDMI port for connecting to many modern devices. Sustaining an Incredible Future **Environmental Certification*** Each monitor is stringently tested to meet the requirements of world-leading sustainability certifications. These tests are up-to-date with the latest certification criteria, are independently verified, and serve as a structured system to ensure the continuous improvement of ASUS products. **Eco-friendly Packaging** ASUS monitors are shipped in packaging made from 100% recycled cardboard. The packaging has been designed to minimize weight and volume, helping to conserve natural resources and allowing more devices to be transported in a single shipping container. **Reusable Packaging** The cardboard box can be cut into a smaller box to pack small items on your desk, such as cables, adapters, or other accessories. It also includes a foldable phone stand. This is a great way to reduce waste, save money on packaging materials, and create added benefits. **Energy-Efficient Features** Every ASUS VU display includes an energy saving mode. **Eco-friendly Materials** ASUS invests heavily in extensive research and development to ensure that ASUS VU displays are made from latest eco-friendly materials, such as 85% post-consumer recycled (PCR) plastics and mercury-free panels. *EPEAT registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.

SPECIFICHE

Tipo	monitor
Marca	ASUS
Dimensione Schermo	27

GENERALE

Colore principale	Bianco
Contenuto della confezione	Stand incluso
Inclinazione range (da)	-5 °
Inclinazione range (a)	20 °
