

The image displays two perspectives of a heavy-duty work glove. On the left, the palm side is visible, featuring a dense pattern of red raised dots on a black background for enhanced grip. A small red logo is located near the wrist. On the right, the back side of the glove is shown, which is plain black. A rectangular label is affixed to the back of the hand, providing technical specifications and safety information. The label includes the brand name 'PORTWEST' at the top, followed by size 'S', weight '1.800g/63oz', and model number '4710'. It also lists standards such as EN 388, EN ISO 13637, and EN 12429, along with safety ratings like 'Safety Level 1' and 'EN 12429'. At the bottom, it features the CE mark and the manufacturer's name 'C. Gatti s.p.a.'.
