Part number	DSM0422-DL
Storage unit	
Unità di vendita	Cadauno
Confezione	1
Imballaggio	1
Peso (kg)	0.228
Volume (cm ³)	832

DSM0400, 2D, MP-DL, USB, 50 cm Cable

BIG PERFORMANCE IN A SMALL PACKAGE

The DSM04XX Fixed Scan Module is the solution you need for high performance fixed position scanning in a compact form factor. Available in WVGA and Megapixel models with different Field of View and Depth of Field. The Wide-Angle model is particularly useful for embedded applications where space is at a premium.

RUGGED CONSTRUCTION

The enclosure is constructed with high impact resin that is resistant to cleanings solvents and disinfectant solutions. IP54 particulate and water sealing allows rugged and dependable scanning performance.

SIMPLE INTEGRATION

The DSM04XX Fixed Scan Module provides simple electrical and mechanical integration for system designers. Included mounting hardware allows mounting from all sides of the device at any angle. Interface options include USB, RS-232 or multi-interface models allowing plug-and-play installation perfect for integrators who must support multiple platforms and applications.
