<p>Datalogic Magellan 900i Lettore di codici a barre fisso 1D/2D LED Nero <b>When you need both small and powerful scanning</b> Datalogic introduces the Magellan 900i scanner, the latest in their line of imaging presentation barcode scanners, known for years of innovation. Leveraging 15 years of experience in imaging presentation scanners, the Magellan 900i offers powerful performance in a compact design, efficiently reading both 1D and 2D barcodes, including those on mobile phones. This versatility suits many applications, including convenience store checkouts, self-checkouts, access control systems, and kiosks. Seamless scanning enhances operational efficiency and customer experience, crucial in fast-paced environments like convenience stores. By saving time in every transaction, the Magellan 900i can significantly reduce labor costs for retailers. Easy installation and user-friendly features cater to both attended and kiosk applications, ensuring a seamless experience for operators and customers alike. With its high sweep speed and automatic detection, the Magellan 900i simplifies barcode scanning, promising a smooth experience every time.</p>
