

Mobile rp4/usb/nfc/btle	
Codice	CK408274
EAN	
Marca	HONEYWELL
Part number	RP4A0000B02
Storage unit	
Unità di vendita	Cadauno
Confezione	1
Imballaggio	1
Peso (kg)	1.341
Volume (cm <sup>3</sup> )	5220
<p>Honeywell RP4 enhanced, USB, BT (BLE), NFC, ZPLII, CPCL, IPL, DPLIf you re looking for an ultra-rugged and reliable mobile receipt printer for route accounting, direct store delivery, citation printing, car rental return receipts and more, look no further than the RP Series. This tough competitor withstands drops and exposure to dust and water, and is designed for all-day printing with a full-shift battery life. <b>Mobile Printing Done Faster</b> The RP Series are fast mobile thermal printers for the most rugged environments. They feature the latest wireless technology for untethered use, increasing worker productivity. <b>Honeywell Goal Based Reporting</b> Increase uptime and proactively plan printer maintenance with built-in analytics on battery age, printhead condition and the printer s environmental history. <b>No Downtime</b> The high-capacity battery can be swapped out without resetting the printer or losing connectivity. Battery age is provided as part of printer analytics. <b>Rugged and Reliable Performance</b> Ultra-rugged design: 2 m (6.6 ft) drop tested, tested to 1000 0.5 m (1.5 ft) tumbles, IP54 dust and moisture ingress and wide operating temperature range. <b>Unparalleled Speed</b> Optimized for quick, all-day mobile receipt and label printing, with fast bootup and printing at up to five inches per second. <b>Intuitive</b> The printers can support labels with and without a liner, and sense gaps between labels or black marks on the top or bottom of the media. <b>Fully Multilingual</b> The RP Series printers are compatible with all popular thermal printer languages and protocols. <b>A Broad Range of Accessories</b> A wide variety of mounting</p>	

solutions is available. Plus, the printers use the same mounting attachment as the widely used MFxT printers, allowing them to drop into current installations.

## SPECIFICHE

Marca	HONEYWELL
-------	-----------

## HARDWARE

Posizionamento	POS Printer
----------------	-------------

Media supportati	Ricevute
------------------	----------

## CARATTERISTICHE FISICHE

Altezza	187
---------	-----

Larghezza	164
-----------	-----

Peso	1,02
------	------

Profondità	77
------------	----

## SOFTWARE

Linguaggio di programmazione	ZPL II
------------------------------	--------

## TECNOLOGIA DI STAMPA

Tecnologia di stampa	Stampa termica diretta
----------------------	------------------------

Supporto RFID	No
---------------	----

Velocità di stampa	127
--------------------	-----

Risoluzione di stampa	203
-----------------------	-----

larghezza massima di stampa	104
-----------------------------	-----

## CONNETTIVITÀ

Wireless	Si
----------	----

Interfacce supportate	USB
-----------------------	-----

Ethernet	No
