LG 27BA54QB-B.AEU Monitor PC 68,6 cm (27") 2560 x 1440 Pixel 2K LCD Nero**Vivid color at wide angles** LG QHD (2560 x 1440) monitor with IPS technology delivers a clear and consistent color. It can provide vivid color reproduction and help users to view the screen at a wide angle. **Versatile business monitors for various workspace** This versatile monitor can cover various works at many places, such as offices, public institutions, hospitals, and customer service, with a clear IPS display and 3-side virtually borderless design. **HDR10 with sRGB 99% (Typ.) See amazing colors** HDR technology is now applied to various content. This monitor is compatible with industry standard HDR10 (High Dynamic Range), based on the sRGB 99% color gamut, supporting specific levels of color and brightness that enables viewers to enjoy the dramatic colors of the content. **Multi ports A variety of interface** The 27BA45QB offers a variety of ports, solving the problem of limited connectivity for hardworking individuals. With its multiple ports, you can easily connect numerous devices for efficient desk setup. Say goodbye to the frustration of running out of ports. **Integrated power module Fully use your desk** With built-in power, workstations can have a streamlined, spacious setup. This improves space utilization and organization, resulting in a cleaner and more efficient work environment. **LG Switch app Switch swiftly** LG Switch app helps to optimize the monitor for an efficient work environment. You can divide the display into six areas, manage the schedules, or launch a video call platform with a mapped hotkey effortlessly.

Ergonomic design Easy and comfy Ergonomic design improves maintaining proper posture through adjustments tailored to your body, enhances productivity and creates an optimal work environment. It makes such an option an ideal choice for customer service employees as they can maintain eye contact with customers and consult with them naturally by simply lowering the stand. **Flicker Safe** Flicker Safe reduces invisible flickering on the screen, which helps reduce eye strain. **Reader Mode** Reader Mode adjusts color temperature and luminance that helps to lessen eye fatigue and provide eye comfort while reading documents on a monitor. **Better life for All** 27BA45QB complies with multiple standards such as Energy Star and EPEAT.
