<p>Zebra RS61B0-KBBHZWR lettore di codici a barre Lettore di codici a barre indossabile 2D LED GrigioRS6100 Wearable Scanner, SE55, Standard Battery, Single Trigger, 0C to +50C Operation, Worldwide Introducing Zebra s most powerful and versatile wearable scanner the RS6100. This small and practically weightless wearable scanner is less than half the size and weight of its predecessor, the RS6000. An advanced multi-focus scan engine captures 1D and 2D barcodes at close range and on the top shelf of a rack 40 ft./12.2 m away, regardless of condition scratched, dirty, poorly printed, under shrinkwrap and more. With five interchangeable wearing options, there s a style that will maximize comfort for every user. Use it anywhere from warehouse aisles, freezers and coolers to the seat of a fork truck and out on the dock in rain, snow, blazing summer heat or subzero winter cold. The RS6100 is always in service with its removable battery no downtime needed for charging, just swap in a fully charged battery. Choose cordless freedom with two battery options or corded battery-free operation. And since the RS6100 and RS5100 share common trigger assemblies, batteries and mounts, upgrading from the RS5100 is easy and cost-effective.</p>	

SPECIFICHE	
Compatibilità	1d / 2d
Marca	ZEBRA

DIMENSIONI	
Altezza massima	21 mm
Larghezza massima	66,6 mm
Peso	76 gr
Profondità massima	32,7 mm

GENERALE	
Posizionamento	Scanner indossabile
Schermo LCD	No
Colore	Grigio

DECODING	
Tipologia di codici letti	1D / 2D
Tecnologia di lettura	Imager

CONDIZIONI AMBIENTALI DI FUNZIONAMENTO	
IP	non disponibile

CONNETTIVITÀ	
Wireless	Si
