

Rk26 2d/wifi/btle/25 keys/and 12	
Codice	CK457895
EAN	
Marca	CIPHERLAB
Part number	AK266G4DNEG41
Storage unit	
Unità di vendita	Cadauno
Confezione	1
Imballaggio	1
Peso (kg)	0.713
Volume (cm ³)	3456
CipherLab's Wi-Fi 6 rugged RK26 excels in indoor and outdoor tasks with an IP65 rating and 1.8m impact resistance. It features a replaceable, rechargeable 4000mAh battery and an ergonomic design for one-handed use. The RK26 series offers responsive keypads, now including crystal keypad options, and standard, mid, or advanced range scan readers. Its 16MP PDAF camera ensures fast, clear image capture, while OCR technology eliminates typing errors. Wi-Fi 6 enables smooth transmission of large files, and the durable, palm-sized design ensures peak performance across diverse tasks. Large Screen and Responsive Keys for Efficient Workflow The RK26 features a 4-inch multi-touch screen with auto-adjustable backlighting and 500-nit brightness for optimal readability. It offers 10° and optional 70° reading angles for easy on-screen data checks. The compact, ergonomic design reduces fatigue, enabling comfortable one-handed operation. High-feedback buttons allow glove-friendly use and faster typing, while the non-fading industrial keypad ensures long-term visibility. Available in 25-key and 28-key models, now with crystal keypad options to meet diverse user needs.	

Seamless Data and Image Capture for Enhanced Productivity

CipherLab's RK26 offers reader engine options (standard, mid, and advanced) for versatile selection. It captures data from over 12.2m away. With a 16MP PDAF rear camera, the RK26 takes clear images with quick focus. It incorporates OCR (Optical Character Recognition) technology, enabling extraction of characters via both camera and scan reader, streamlining tasks and reducing typing errors.

Wi-Fi 6 and Real-time Communication

The RK26 offers advanced wireless connectivity for an enhanced networking experience. Featuring Wi-Fi 6, it ensures faster, more reliable connections with security and low latency. The RK26's 2x2 MU-MIMO improves speed and efficiency, even in crowded environments. With 4G LTE, swift file transmission keeps mobile workers connected. The RK26's USB Type-C port supports seamless data transfer and an additional charging option. With Bluetooth 5.1 and NFC, the device offers robust wireless capabilities for quick connections to printers, headsets, and more.

SPECIFICHE

Compatibilità	1d / 2d
Marca	CIPHERLAB
Tecnologia	standard range
Tipo schermo	multi touch

SCHERMO

Dimensione Schermo	4 "
Risoluzione Schermo orizzontale	480 px
Risoluzione Schermo verticale	800 px
Tipo Schermo	Multi Touch

FOTOCAMERA

Fotocamera Interna	Si
Fotocamera posteriore	Si

SISTEMA OPERATIVO/SOFTWARE

Versione	Android 12
----------	------------

ERGONOMIA

IP	IP65
Impugnatura	No

DECODING

Funzione lettura codici a barre	Si
Tipologia di codici letti	1D / 2D

Tecnologia di Lettura	STANDARD RANGE
